NATIONAL ACADEMY OF CONSTRUCTION

(A Society of State Government of Telangana)

NOTIFICATION

Applications are invited on a plain paper address to Director General, NAC from the Head of Departments / Senior Faculty nominated by Principals of Engineering Colleges and from Industry professionals for engaging as “Academic Ambassadors” of NAC

Important Dates:

- **Issue of Publication** : 25th May, 2024
- **Last date for submission of application** : 30th June, 2024, 5.00 pm

The National Academy of Construction (NAC), established in September, 1998 by the State Government as a 'Society' and incorporated as a 'Public Charitable Institution', is committed to elevating the standards and practices within the construction fraternity. Governed by a Board of Governors comprising distinguished individuals from academia, industry, professional organizations, and senior bureaucrats, NAC strives to foster excellence in construction engineering.

In collaboration with esteemed institutions such as Jawaharlal Nehru Technological University Hyderabad (JNTUH), Jawaharlal Nehru Architecture and Fine Arts University (JNAFAU), and State Board of Technical Education and Training (SBTET), Hyderabad. NAC conducts a wide array of programs. These programs ensure that all candidates are equipped to excel in their respective fields and secure placements in reputable companies. Our programs encompass:

1. Construction Project Management (CPM)
2. Quantity Surveying and Contracts Management (QSCM)
3. Certificate Program in Facilities Management (CPFM)
4. Certificate Program in Construction Safety (CPCS)
5. Finishing School Program (FSP)
6. Executive Development Program (EDP)
7. Faculty Development Program (FDP)
8. On Job Training (OJT) Internship for Graduate and Diploma Engineers
9. Construction Technical Trades Training for Unemployed Youth

In our continuous pursuit of excellence, NAC is now extending an invitation for applications for **Industry Ambassadors** from the Construction Industry, specifically those working in civil engineering and the construction fraternity. We welcome individuals who are passionate about shaping the future of construction engineering practices and are eager to contribute to the prestigious endeavors of NAC.

As an Industry Ambassador, you will have the opportunity to play a crucial role in developing and promoting the field of construction engineering. Your expertise and guidance will be pivotal in nurturing the next generation of construction professionals, ensuring their preparedness to meet the evolving demands of the industry.

Interested candidates are requested to submit their applications, including a brief statement of interest and a comprehensive CV, to the Director PG Courses (e-Mail ID: pgcourses@nac.edu.in) by 30.05.2024.

We eagerly await the participation of dynamic and visionary individuals in our mission to uphold excellence in construction engineering practices.

Director General
NAC - Hyderabad
