About NAC

NAC was established on the joint initiative of construction industry and State Government in the year 1998 as an apex body for the development of all types of construction resources, technologies, and methodologies to bring in professionalism, efficiency, and improved construction practices in the construction industry. NAC is an autonomous body registered as a “Society” and incorporated as “Public Charitable” institution.

It is managed by a Board of Governors with the Hon’ble Chief Minister as Chairman and Hon’ble Minister for Roads and Building, the Chief Secretary of Telangana State as Vice Chairmen. The Board members include Principal Secretaries of Works Departments, eminent persons of construction industry, Academic, Research institution and Professional associates representing the construction industry.

NAC received CIDC Vishwakarma Achievement Awards 2016, 2018 and 2019 for Best Construction Skill Development Organization, ASSOCHAM Award 2018 and 2019 for Best Institute - Placement and Golden Peacock National Training Awards 2017 & 2019.

About FDP’s/EDP’s

NAC has been organizing regular executive development training programs as a part of continuous education to the engineers and managers working in both Government and Private/Public Sector organization in the field of Quality Management, Project Management, Construction Management, Management of Infrastructure Maintenance, Road Safety Management and Contract Management.

NAC Provides consultancy services in the field of Engineering and Management disciplines.

The institute has in its roles highly qualified Faculties, Consultants, and Technology experts to cater to the needs of the industry. The Institute has maintained an excellent record of providing training and consultancies.

The training methodology includes On-line Lectures, Classroom lectures, Laboratory Sessions, Group Discussions, Field Visits, Hands on Experience wherever required, Case Studies and sharing of Experiences by the experts

The Professional Training Programs are designed for Sr. Engineers/Sr. Managers/Engineers/Teaching Professionals from State and Central PWD Departments, Private/Public Undertakings, Universities and R&D Institutes, Contractors, Border Roads Organization, Military Engineering Services, Municipal Corporations, town Planning Organizations and Students from Engineering Colleges and Institutions.

The Training Calendar for Academic Year 2024-2025 is given below for reference.
